

**HOUSE OF REPRESENTATIVES**

**REQUEST FOR INTERIM STUDY PROPOSAL**

DATE: May 24, 2007

BY REPRESENTATIVE(S): Representative Terry Harrison  
Representative Brian Renegar

TOPIC OF THE PROPOSAL:

Natural Gas Disconnect/Termination of Service

EXPLANATORY COMMENTS ON THE SCOPE OF THE STUDY PROPOSAL:

In March of 2007, natural gas service to 250+ residences in Districts 17 and 18 was terminated without notice. Some weeks later, service has been restored to 70% of the homes, but other homes still have not been reconnected to natural gas service. This study will seek to find a solution to any loopholes in policy or statute in an effort to keep this type of outage from happening to any other Oklahoma households.
