Dear Representative:

Joe Dotman

I have deep concerns of our county recording offices recording liens on our abstracts without any legal evidences or court orders. This in turn creates untold wasted time and expense on the honest taxpayers and county employees.

In the coming February agenda hopefully this problem can be corrected. Your concern and help would be greatly appreciated.

Thank you,

Alvin Whitaker

*P.S. Joe I have written 50 Representatives
this same letter, Thanks for your help
Mabeey we will get something done.*
