## HOUSE LEGISLATIVE INTERNSHIP GUIDELINES

Internship is an opportunity for students to enhance their learning through practical application. To maximize the experience certain conditions must be met. Below is a list of guidelines the Oklahoma House of Representatives has established to insure the best possible learning environment.

1. Interns are assigned to a specific office. Offices seeking to host an intern should contact the internship coordinator, Dr. Rick Farmer. A potential host must have a demonstrated record as a role model and mentor. They must also demonstrate a work load need.
2. Prospective interns must submit an application for legislative internship including a current resume. Applications must be accompanied by a letter of reference from an unrelated adult who has known the applicant for the preceding four years, as well as a letter from a House member offering to sponsor the student into the program.
3. Applications and accompanying documents become the property of the House, and shall not be returned to the applicants. These documents shall remain confidential and not become a matter of public record.
4. Interns shall be over sixteen (16) years of age.
5. Interns must be enrolled for internship credit in an accredited academic institution or other program recognized by the House.
6. All interns serve at the pleasure of the Speaker and can be dismissed or re-assigned at the discretion of the Speaker.
7. In order to make each intern's experience as effective as possible, Representatives should not host more than one intern simultaneously.
8. Interns shall remain under the direction of the office to which they are assigned, fulfilling office duties for their hosts, during their tenure at the Capitol.
9. Interns may only work for the Representative to whom they are assigned.
10. Legislative interns are not meant to replace the Legislative Assistant of the Representative.
11. Interns may use the office and computer equipment and supplies in the offices to which they are assigned, but only for legislative purposes, and may not alter the equipment or software in any way.
12. Interns shall be subject to the same requirements as House employees regarding

decorum, dress, phone etiquette, use of State property, sexual harassment, drug & alcohol use, and prohibitions against political activities while at the Capitol.

13. Interns are authorized to be in the Capitol as an intern from the hours of 8:00 a.m. until 5:00 p.m., Monday through Friday, or until session adjourns for the day, whichever is later.
14. Interns shall be responsible for providing their own transportation to and from the Capitol.
15. Representatives may not send an intern off of Capitol Grounds to perform official duties.
