Section 6-110. A. 1. The Department of Public Safety shall examine every applicant for an original Class A, B, C or D license and for any endorsements thereon, except as otherwise provided in Sections 6-101 through 6-309 of this title or as provided in paragraph 2 of this subsection or in subsection D of this section. 2. The Department of Public Safety shall have the authority to waive the requirement of any part of the examination required in paragraph 1 of this subsection for those applicants who surrender a valid unexpired driver license issued by any state or country for the same type or types of vehicles, provided that the applicant's driving record meets the standards set by the Department of Public Safety.

The Department shall consider giving the examination at various school sites if the district board of education for the district in which the site is located agrees and if economically feasible and practicable.

5. The Department of Public Safety shall provide an alternative method of testing for an applicant for a Class D driver license who is eighteen (18) years of age or older and who

F. The Department of Public Safety shall adopt a curriculum of required courses and training to be offered to applicants who are qualified to apply for certification. The courses and training for certification shall meet the same standards as required for driver examiners of the Department of Public Safety.

G. Each person applying for certification shall be required to pay an initial certification fee of One Thousand Dollars (\$1,000.00). Upon certification, the person shall be required to pay an annual certification fee of Five Hundred Dollars (\$500.00). Each such certificate shall expire on the last day of the calendar year and may be renewed upon application to the Department of Public Safety.
