

# House District 28 | Rep. Danny Williams

HD 28 had **37,151** people when it was redistricted in 2011. The target population at that time was **37,142** people per House District.

Now it has an estimated **37,376** people, according to the latest numbers from the American Community Survey, a program of the U.S. Census Bureau.

The current estimate is **-1,563** away from the estimated district target of **38,939** people, which is determined by dividing our estimated statewide population (3,932,870) by the 101 House Districts.

The district's population has changed an estimated **0.61%** between 2010 and now.

76.4% of the district is White, alone or in combination with one or more other races.  
5.5% of the district is Black or African American, alone or in combination with one or more other races.

22.1% of the district is American Indian and Alaskan Native, alone or in combination with one or more other races.

0.6% of the district is Asian, alone or in combination with one or more other races.

0.1% of the district is Native Hawaiian and Other Pacific Islander, alone or in combination with one or more other races.

0.6% of the district is some other race.

4.6% of the district is of Hispanic or Latino origin.
