

House District 39 | Rep. Ryan Martinez

HD 39 had **37,474** people when it was redistricted in 2011. The target population at that time was **37,142** people per House District.

Now it has an estimated **42,963** people, according to the latest numbers from the American Community Survey, a program of the U.S. Census Bureau.

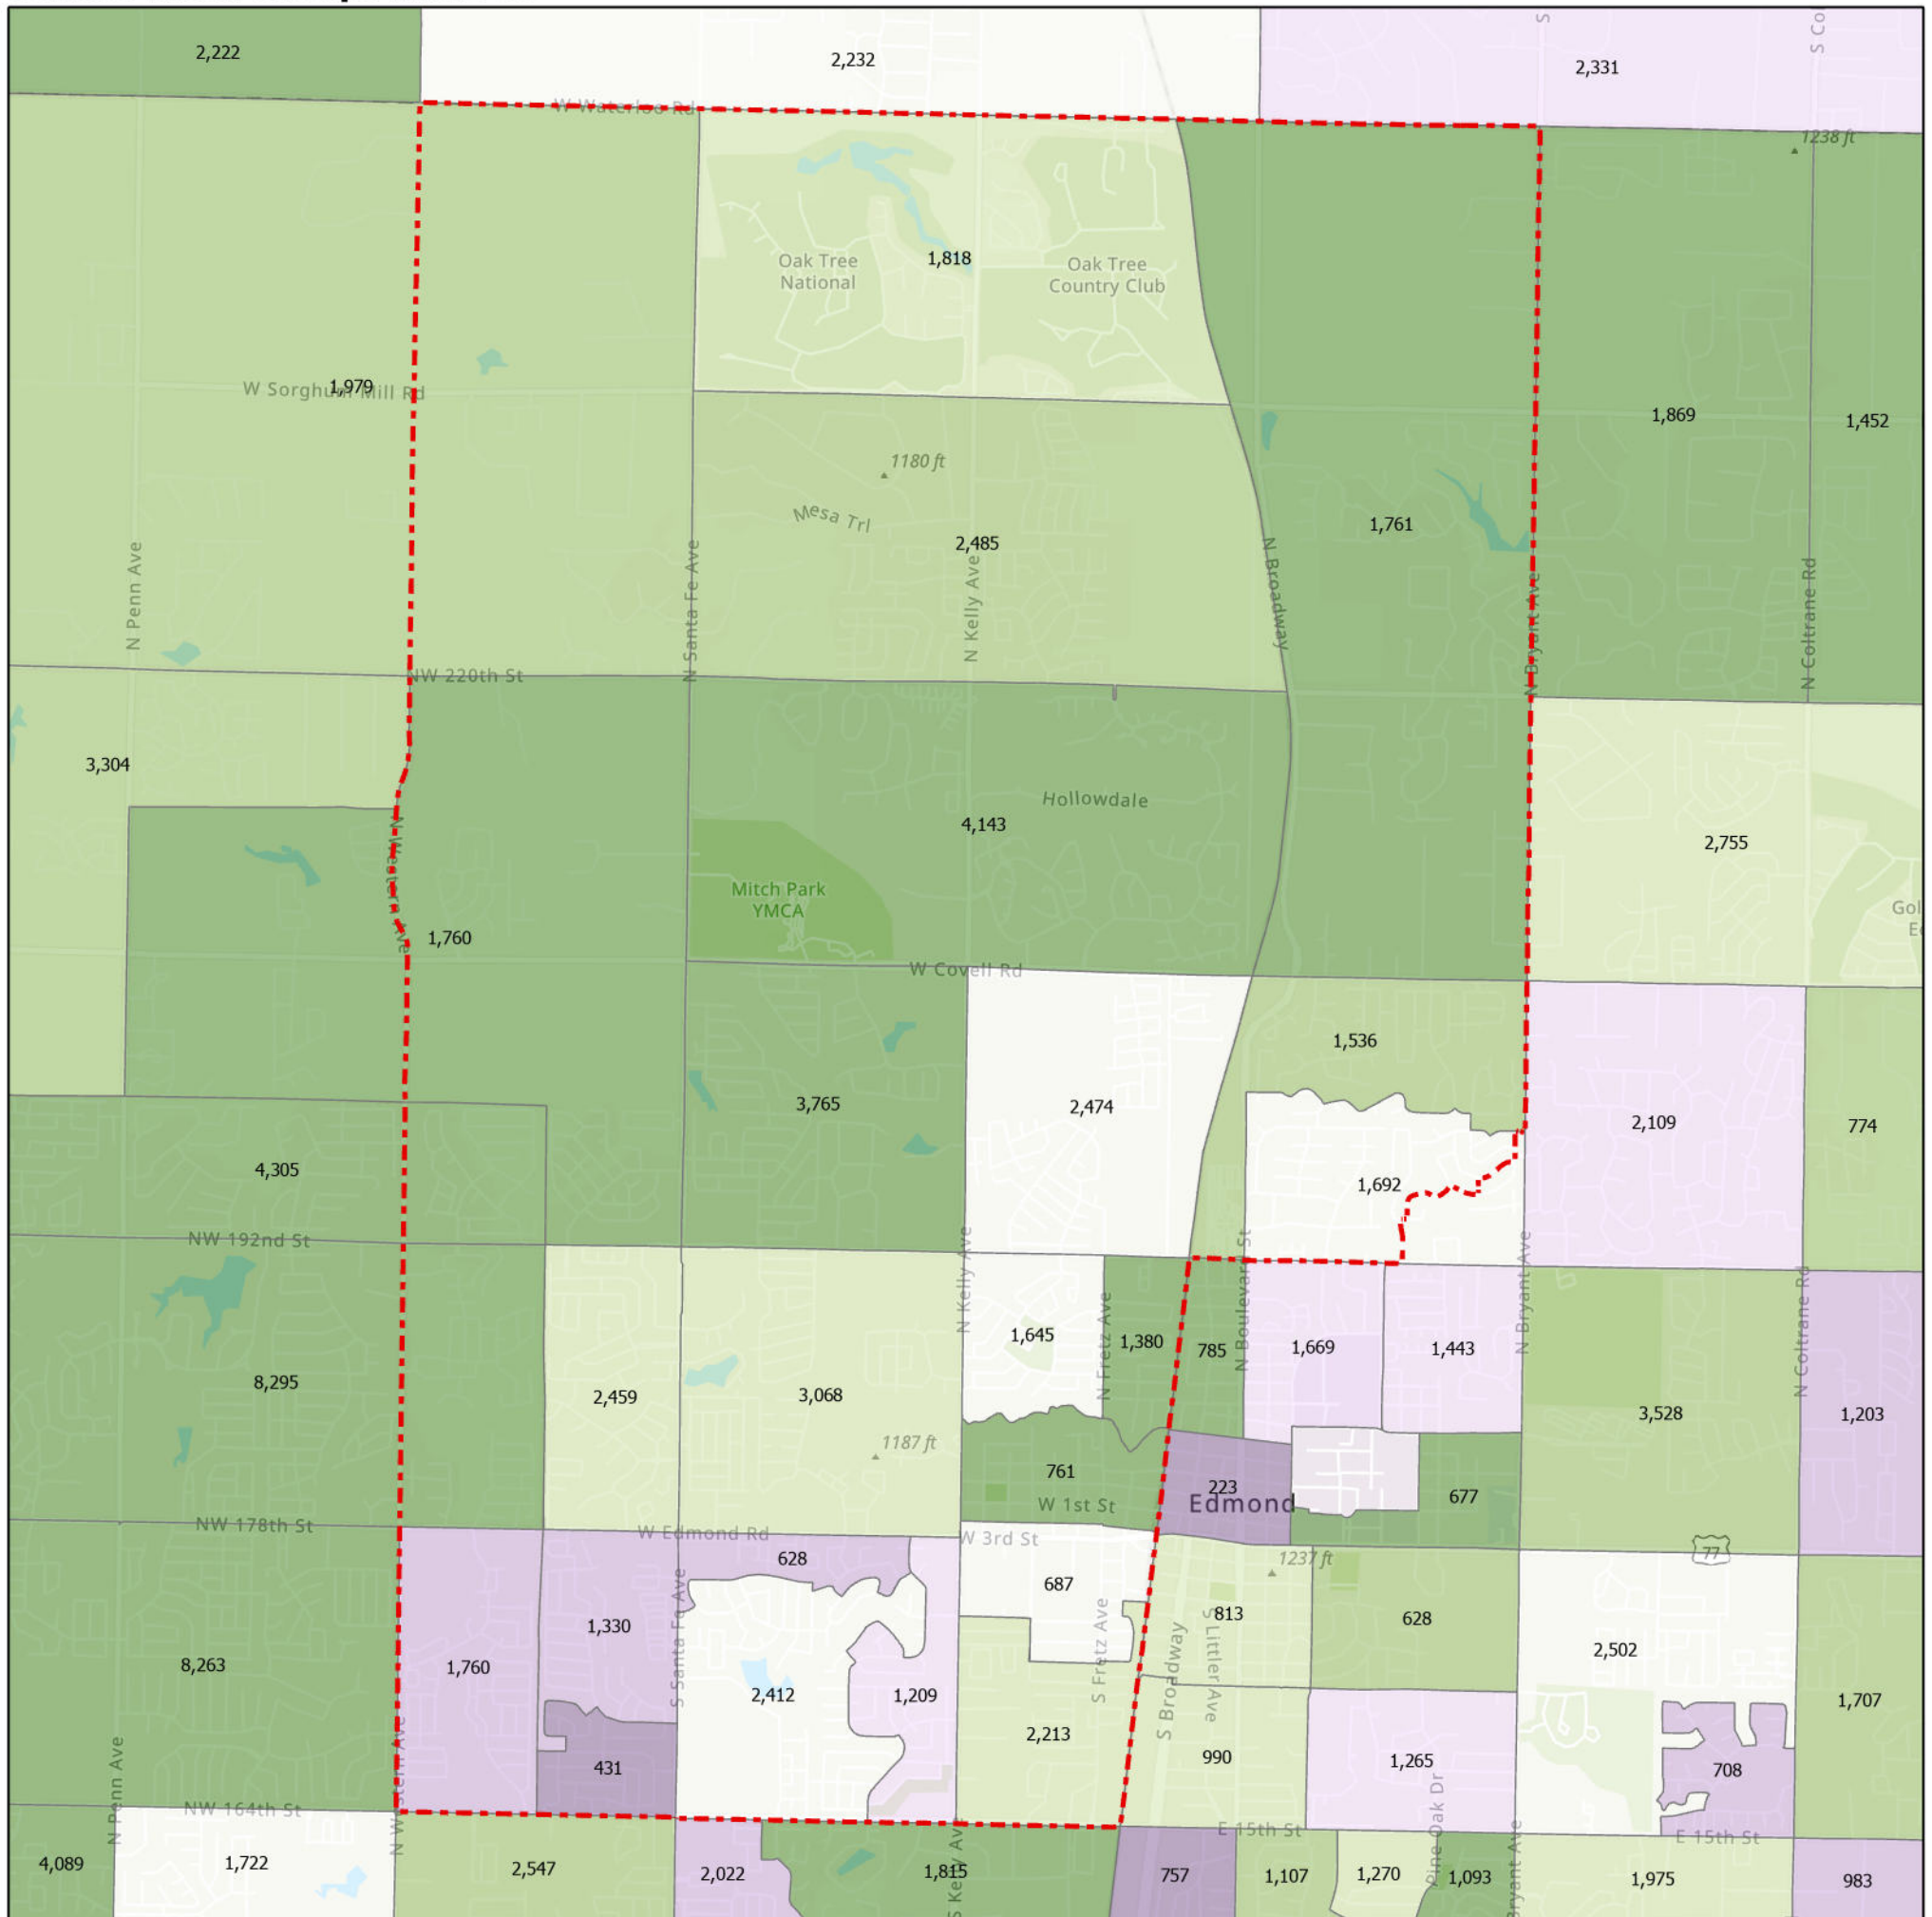

The current estimate is **4,024** away from the estimated district target of **38,939** people, which is determined by dividing our estimated statewide population (3,932,870) by the 101 House Districts.

The district's population has changed an estimated **14.65%** between 2010 and now.

- 88.1% of the district is White, alone or in combination with one or more other races.
- 7.7% of the district is Black or African American, alone or in combination with one or more other races.
- 7% of the district is American Indian and Alaskan Native, alone or in combination with one or more other races.
- 4.7% of the district is Asian, alone or in combination with one or more other races.
- 0.2% of the district is Native Hawaiian and Other Pacific Islander, alone or in combination with one or more other races.
- 1.3% of the district is some other race.
- 8% of the district is of Hispanic or Latino origin.
