

# House District 40 | Rep. Chad Caldwell

HD 40 had **37,301** people when it was redistricted in 2011. The target population at that time was **37,142** people per House District.

Now it has an estimated **37,964** people, according to the latest numbers from the American Community Survey, a program of the U.S. Census Bureau.

The current estimate is **-975** away from the estimated district target of **38,939** people, which is determined by dividing our estimated statewide population (3,932,870) by the 101 House Districts.

The district's population has changed an estimated **1.78%** between 2010 and now.

- 83.8% of the district is White, alone or in combination with one or more other races.
- 5% of the district is Black or African American, alone or in combination with one or more other races.
- 5.5% of the district is American Indian and Alaskan Native, alone or in combination with one or more other races.
- 1.1% of the district is Asian, alone or in combination with one or more other races.
- 5.8% of the district is Native Hawaiian and Other Pacific Islander, alone or in combination with one or more other races.
- 5.3% of the district is some other race.
- 15.6% of the district is of Hispanic or Latino origin.
